ARMY BULLETIN NO. 49

2 December 2005

CMF 63 RECLASSIFICATION (J3)

1. Purpose: To provide the NJARNG with available course dates and locations for those soldiers that require reclassification to the 63-series CMF.

2. Background: The NJARNG is in the process of transformation to a lighter and more deployable force. The heavy force with tracks will be replaced by wheeled vehicles. Track Systems Mechanics and Turret Mechanics will have to reclassify to a new MOS, as a result. With the increase in wheeled vehicles, there will be a requirement for additional 63 CMF wheeled mechanics.

3. Track Systems Mechanics or any mechanic currently holding a CMF 63 MOS (63A/D/G/H/M/S/Y) will only have to attend Phase II and III of the CMF 63 Reclassification Course. Soldiers holding any other MOS will have to attend the entire CMF 63 Reclassification Course (Phase I – III) for MOSQ.

4. The following courses are available for CMF 63 Reclassification this TY(06):

a. School Code 967 (RTSM – Ft Dix)

PHASE I: Class 002 (27 Feb – 10 Mar 06)
